PROFILE

Motivated IT student with foundational knowledge of python, SQL, programming, and computer science. Passionate about learning web development, database management and networking concepts. Seeking an internship or entry-level opportunity to gain practical experience and enhance technical skills in a professional environment.

TECHNICAL SKILLS

Languages	Python, JavaScript (Basic), SQL, HTML/C, FastApi
Frameworks	Node.js (Basic understanding, Beginner level projects)
Databases	MySQL, PostgreSQL (Basic queries and practice)
Tools	GitHub, VS Code, Jupyter Notebook, Linux/Ubuntu (User Management, File Permissions, Basic CLI)
Networking	TCP/IP, DNS, DHCP, Wireshark (Theoretical Knowledge Only)

EDUCATION

BS Information Technology · Sindh Madrassatul Islam University CGPA: 3.39 / 4.0	2023 – 2028
Intermediate (HSSC) · Bahria College DHA Phase 2, Karachi Grade: B Major: Pre-Engineering	2023
Matriculation (SSC) · Bahria Model School DHA Phase 2, Karachi Grade: A Major: Science	2021

PROJECTS

Hospital Management System HTML, CSS, JavaScript, Node.js, FastAPI, PostgreSQL (Neon DB) github.com/NuzhatQureshi90/Hospital-Management-System Developed a full-stack Hospital Management System solo, featuring 15 database tables in PostgreSQL (Neon DB) covering patients, doctors, appointments, billing, and medical records. Built RESTful APIs using FastAPI and Node.js to handle patient registration, doctor scheduling, appointment booking, and report generation. Designed a responsive frontend using HTML, CSS, and JavaScript with separate dashboards for admin, doctors, and patients. Managed cloud-hosted PostgreSQL database via Neon DB with relational schema design, foreign key constraints, and optimized queries across 15 interconnected tables.	2026
Student Profile Website HTML, CSS, JavaScript Group Project (2 members) – University Web Technology Course linkedin.com/posts/nuzhat-qureshi (Live Demo) Built a secure student profile portal where students can manage academic details, personal information, and portfolio in one place. Implemented Dark/Light mode and multiple theme options, profile completion progress bar, and student information cards with smooth UI animations. Designed a fully responsive layout with modern UI enhancements ensuring a clean user experience across all screen sizes.	2025

CERTIFICATIONS

Python & FastAPI Bootcamp – Bano Qabil, 2026
(3 Months)

English Language Certificate – ApnaProjects.org, All
Pakistan National Academy (3 Months)

Mathematics 2.0 – Teaching Mathematics for Real World Applications – SSEF (Samina Saad Education
Foundation) & LearnTech.pk

ADDITIONAL

Soft Skills	Problem solving, Teamwork, Communication, Time management, Self-learning
Languages	English, Urdu, Pashto (Native)
Interests	Learning programming and new technologies, Building small coding projects, Web development exploration
